Academic Programmes

Welcome To Sharjah Museums

Sharjah Museums Authority (SMA, previously SMD) was established in 2006 under the patronage of His Highness Sheikh Dr. Sultan Bin Mohammed Al Qasimi, Supreme Council member and Ruler of Sharjah. SMA manages 16 museums in the Emirate of Sharjah, covering themes like modern art, Islamic and cultural arts, archaeology, maritime sciences and history as well as the UAE's history.

Academic Programmes & Services

This guidebook will help you discover the various programmes offered for instructors and students. Programmes are varied and include group discussions, interactive workshops, specialized tours and more. We aim to ensure that all our visitors have a rich experience that will remain in their memories forever. All our programmes are designed to meet the demands of a specific university course module.

Cultural Awareness

This discussion-based talk explores some of the most important customs and traditions related to Emirati social life and heritage. Several discussions will be held about social conventions, traditional food and clothing. The programme is presented all year long in a typical Majlis setting at the following museums: Sharjah Heritage Museum, Bait Al-Naboodah and Sharjah Fort (Al Hisn).

Custom-designed Educational Tours and Programmes

In order to meet the needs and demands of Academic institutions at Sharjah museums, the SMA Education and Interpretation Department is committed to deliver professional tours and workshops that meet the teachers' expectations. These programmes provide a unique experience based on the requested topics and will include an opportunity to get a closer look at our collections. Usually, one guide is provided for every twenty five students.

Custom-designed tours and workshops must be requested at least two weeks to a month in advance prior to your visit through the annual programmes section of the education page on our website: www.sharjahmuseums.ae

Volunteering and Training

Sharjah Museums Authority warmly welcomes interns and volunteers who would like to contribute to the authority's diverse and exciting work. Many chances for training and volunteering are available in many departments, both behind the scenes or front-of-house. For students, internship and volunteering can provide valuable professional training, offering the chance to experience the vast range of job opportunities across our museums. For more information please contact the training section at SMA through HR@sma.gov.ae

Scientific Research

SMA welcomes students and researchers in its venues, and is committed to supporting research projects at any time. For academic research, please fill out the Academic Research Form available on the annual programmes section of the education page on our website: www.sharjahmuseums.ae. A comprehensive project outline and an academic outline will need to be submitted alongside the relevant SMA forms. Please allow two weeks for an application to be considered. A confirmation of the academic research request approval will be committed via email or phone.
